Severn River Restoration – Is It Working?

Just how successful have been efforts to restore Severn River creeks that have been heavily damaged by stormwater, sediment and nutrient pollution?

The public is invited to find out during the monthly meeting of the Severn River Association (SRA). The meeting begins at 7 pm on Tuesday, September 17, at Arlington Echo in Millersville.

The meeting will feature two experts in the field of ecosystem restoration who are driving forces behind projects to revive water quality and stem the flow of stormwater that threatens the creeks on the western shore of the Severn River.

Speaking will be Sara Caldes, Program Manager with the Severn RiverKeeper Program, and Keith Underwood of Underwood and Associates.

Our guests will discuss the effectiveness of regenerative stream project they started two years ago to repair stormwater damage to Clements Creek.

When: September 17

Where: Arlington Echo Outdoor Education Center, 975 Indian Landing, Rd.,
Millersville, MD 21108

Time: 7 pm.

SRA's monthly meetings are free and open to the public.

Directions: [Arlington Echo Outdoor Education Center, 975 Indian Landing Rd, Millersville MD 21108.](#)

The Severn River Association is the oldest river association in the U.S. and Anne Arundel County's only river group in continuous operation since 1911. SRA meets the third Tuesday of each month at 7 p.m. at Arlington Echo, 975 Indian Landing Rd., Millersville, MD 21108. The meetings are free. Residents and representatives of community associations are encouraged to attend, get involved and make their opinions on watershed issues known.
