**August 2015, Issue 47**

## Partnering with the Severn River Association

The Friends of Anne Arundel County Trails value its partnerships with local community organizations. One that has consistently offered its assistance and financial support is the 104 year old Severn River Association (SRA). Begun in 1911, the SRA is the oldest organization in the country dedicated to protecting a river and is Anne Arundel County's largest and oldest civic association. Bob Whitcomb, a past President, has been instrumental in working with the SRA to provide monies for crape myrtles along the upper level of Jonas Green Park and organizing the bilingual signage there. The SRA will be helping to fund the BayScape project this fall that will be located below the new heron sculpture. Bob also purchased a bench facing up the Severn River, a perfect place to relax and enjoy the view. In the years to come, **The Friends** will be working with the SRA to add additional amenities to one of the few public water access sites in the county. Thank you, Severn River Association!

Bob Whitcomb, Past President of Severn River Association, enjoying his bench and the incredible view of the scenic Severn

The trails  
are awash in  
color this  
summer....
